WHO ARE WE ?

PRO GLOBAL SCIENCE ASSOCIATION (PGSA) is a non- profit association established in 2010, a legal person of private law, independent and operating under the Romanian laws.

LOCATION:

The head office of the association is at Quadra Place, 47 Fabricii St, bl J, et. 1, ap. 12, 6th district, Bucharest, Romania.

WEBSITE:

[www. reaser.eu/Pro-Global-Science-Association.php](http://www.reaser.eu/Pro-Global-Science-Association.php)

The association is fostering:

Excellence and quality in **SCIENCE, RESEARCH, EDUCATION, KNOWLEDGE INNOVATION** by :

- Promoting and disseminating the results of research in the line of socio- economic sciences in its own review,
- Promoting and disseminating the results of research in the line of socio- economic sciences at the scientific events held by the association,
- Cooperating by means of partnerships for the elaboration, development and implementation of international or national projects (research projects, cooperation, mobilities- exchange and placement, adult training etc.)

PARTNERSHIP PROPOSALS:

PGSA can be your partner in:

- Projects developed in Lifelong Learning Programme,
- Projects financed by European Structural Funds,
- Organizing training courses (certified trainers),
- Organizing workshops, conferences and symposia,
- Scientific expertise in research studies,
- Supporting and developing youth projects.

PGSA'S SCIENTIFIC JOURNAL

PGSA has developed its own resource:

The Review of Applied Socio- Economic Research (www.reaser.eu) to attain its objectives.

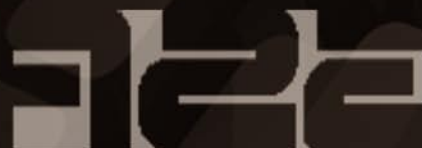

It is meant to be a forum of discussion between experts and young researchers in various sciences and to enable a dynamic and fruitful exchange of opinions.

- Peer- reviewed journal
- Indexed in international databases
- International Editorial Advisory Board
