INVITATION FOR MEMBERSHIP
PRO GLOBAL SCIENCE ASSOCIATION

The mission of the association is:
Excellence and quality in SCIENCE, RESEARCH, EDUCATION, KNOWLEDGE INNOVATION

Pro Global Science Association kindly invites you to join in and work on the scientific and organizing committees of the symposia and in REASER review editorial board and reviewer's team. Membership in the Pro Global Science Association scientific and organizing committees can open windows of opportunity for your professional growth and development as academics or researchers. High quality events for scientific exchange with worldwide professors and researchers held by Pro Global Science Association may provide for the scientists the opportunity to enhance their knowledge, skills, and professional and networking options.

PGSA Honorary Member:

The capacity of **PGSA Honorary Member** shall be conferred only on invitation of the PGSA Executive Committee for a person of distinction and outstanding qualifications, and who has made extraordinary scientific contributions in the socio-economic field.
